

MILK THISTLE 350mg

- Standardized to 80% (280 mg) silymarins
- Premium raw material ensures optimum purity, potency and safety
- Encapsulated in 100% vegetarian capsule
- Fewer capsules to take leads to better patient compliance
- 100% vegan
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish

Milk thistle has been shown to provide long term liver support and assist with regeneration of liver cells. It is widely used for liver cirrhosis, alcoholic hepatitis, alcoholic fatty liver, liver poisoning and viral hepatitis. Silymarin, the active ingredient most studied in Milk Thistle, causes cells of the liver to regenerate at a faster rate. Helpful for those taking medications known to cause liver damage. Our 350 mg per vegetarian capsule makes it easy to take a therapeutic amount.
