

ENZYME CAPS

DIGESTIVE SUPPORT

- Best selling enzyme formula, easy to swallow capsules
- Designed to break down protein, starches, carbohydrates, fats
- Natural heartburn, gas and bloating relief
- For those with enzyme deficiencies, or undergoing chemotherapy or radiation
- Seniors, or those with allergies
- Gluten Free
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Overprocessing and cooking of foods can destroy beneficial enzymes. You are what you assimilate! Enzymes are crucial for extracting nutrients in our food. These enzymes contain pancreatin, ox bile, pepsin, papain, betaine hydrochloric acid (HCL) to support digestion and absorption of the proteins, fats and carbohydrates. Taken 30 minutes prior to meals will liberate the health and vitality promoting nutrients from our food. Enzymes prevent gas, bloating, and malabsorption.
