

ZINC AA CHELATED

- Chelated with amino acids for superior absorption
- Zinc is found in every cell, and in abundance in the prostate gland
- Important for immune function and wound healing
- Supports normal glucose levels
- Assists with memory function
- Gluten free
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Zinc is required for proper functioning of the thymic, sex and growth hormones, as well as insulin. Zinc maintains normal taste and smell acuity, and promotes healthy skin.
