

# L-LYSINE 500 MG

SUPPORTS IMMUNE FUNCTION AND TISSUE GROWTH

- One of the eight Essential Amino Acids - must be ingested
- Decreases severity and occurrence of cold sores
- Supports growth and bone development
- Vegetarian formula
- Gluten Free
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

L-Lysine interferes with the replication of herpes viruses, helpful for those with cold sores or genital herpes. Lysine deficiency can occur by inadequate dietary intake, it is one of the 8 essential amino acids that must be ingested, the body cannot manufacture it. Lysine deficiency is also caused by excessive arginine intake, found in nuts, chocolate, peanut butter, gelatin, wheat, soy, caffeine.

Calcium increases absorption of Lysine and helps maintain nitrogen balance, important for protein retention and muscle repair.
