- Tested for PCB's, heavy metals and pesticides
- Supports memory, joint, skin, mental health
- Natural Orange oil flavor
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, or crustacean shellfish

Essential. When the word "essential" is used in the world of nutrition, it really means just that - if you don't ingest it, you don't have the health benefits. Essential Fatty Acids are found in few foods, such as salmon, nuts, seeds - foods that are not commonly consumed in our typical American diet. Supplementing Omega 3's is an easy way to ensure the benefits they give.

Research continues to reveal how vital Omega 3 fatty acids are - for joint and heart health, memory and mental health, from babies to the elderly. McGuff Concentrated Omega 3 is sourced from cold water sources and tested free of harmful contaminants.
